Date: 10-09-2021

To,

The Director,  
Sant Dnyaneshwar Shikshan Sanstha's  
Annasaheb Dange College of Engineering & Technology,  
Ashta, Tal: Walwa,  
Dist.: Sangli- 416301, Maharashtra.

**Subject: Decision on appeal against non-grant of further accreditation of UG-Civil Engineering program of your Institution-reg.**

Sir,

This has reference to Appeal dated 18-06-2020 filed by Sant Dnyaneshwar Shikshan Sanstha's Annasaheb Dange College of Engineering & Technology, Ashta, Tal: Walwa, Dist: Sangli- 416301, Maharashtra against the decision of NBA for not granting accreditation to **UG Civil Engineering** program of your Institution, communicated vide NBA's letter of even number dated 05-03-2020.

2. The Appeal was considered by the Appellate Committee of NBA in its meeting held on 24-08-2021. The recommendation of the Appellate Committee was considered by the Competent Authority in NBA. Based on the decision taken, accreditation status of the program is given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Civil Engineering	Tier-II Document	Accredited	Academic Years 2020-2021 to 2022-2023 i.e. Up to 30-06-2023	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for 3 years. **Sant Dnyaneshwar Shikshan Sanstha's Annasaheb Dange College of Engineering & Technology, Ashta, Tal: Walwa, Dist: Sangli- 416301, Maharashtra** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted **Sant Dnyaneshwar Shikshan Sanstha's Annasaheb Dange College of Engineering & Technology, Ashta, Tal: Walwa, Dist: Sangli- 416301, Maharashtra** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.

Yours faithfully,

## **A Report of** **Orientation & Induction – 2021-22**

New batch of 2021-22 has been started in 15<sup>th</sup> December 2021. The orientation program for newly admitted students was organized from 15<sup>th</sup> Dec. 2021 to 17<sup>th</sup> March 2022.

On very first day of the induction program i.e. on 15<sup>th</sup> Dec. 2021, Students and their parents were formally welcomed and introduced to the culture of the College, campus and Basic Science Department. At the time of introduction president of the Sant Dnyaneshwar Shikshan Sanstha, Hon. Annasaheb Dande, Secretary Adv. Rajendra Dange and Executive Director Prof. R.A.Kani were present. Director of the institute and all deans also present there for the ceremony.

On second day of the program, 16<sup>th</sup> Dec. 2021, Director, Dr. Vikram Patil oriented students about engineering and expectations of the industries from engineers. He talked about changing scenario in engineering field. He exhorted students to prefer research, entrepreneurship over on campus placement, education should be knowledge oriented rather than placement oriented. Students should try to attain overall development in sports, extra-curricular activities in addition to academics. He illuminated the audience about state of the art infrastructure of the campus. Question- answer session was also conducted after his speech. After directors speech, Dean Academics Dr. Syugkumar Taralkar discussed on the rules and regulations of campus. He further discussed about expectations of college during academics and presented a brief on academic structure of the institute, along with grading scheme and results. In the second half, Dean Training and Placement Prof. S. S. Sayyad discussed about placement activities carried out by the college. The students were also briefed about required training programs planned to develop competencies to approach the job market.

On the next day, 17<sup>th</sup> Dec. 2021, Controller of examination Prof. V.B.Patil sir has given brief about rules and procedures of the examination systems. Then, Dean Research and Development Dr. Anil Shinde talked about research activities in the campus and its importance. Then Mr. Kapil Lalit, Counsellor conducted his session in second half in which he gave insights and importance of counseling. He also oriented students about counseling procedures. The students were then shown a brief presentation on Student Mentorship Program by him. He also talked about 'human Values in Engineering'.

On 18<sup>th</sup> Dec. 2021 i.e. third day of the program, first session was conducted by Prof. S.S. Mohite, HoD Basic Sciences. He oriented students about various activities carried out in department. He gave them an introduction regarding the academic disciplines. Second half was started with the departmental and campus visit. Teams were made with each team supervised by one mentor. During this visit, mentors went over the rules and regulations of the Institution and made them aware of the importance of the aforementioned landmarks. Refreshments were then served, hence concluding the campus visit.

On 01st Jan. 2022, imminent speaker and Group Captain, Mr. Shrikant Balakrishna Walwadkar oriented students with insightful speech. He talked about expectations of parents and people of country from this generation. He also discussed about students expectations from politicians and educationalist. He also gave insights about importance of spiritual balance in the life.

On sixth day i.e. 8<sup>th</sup> & 15<sup>th</sup> Jan.2022, sports and creative activities were conducted by physical director and music teachers. Two groups were formed for activities. One group went for Sports for half day and another group went for creative activities for half day and groups were altered. In sports badminton, Kabbadi, cricket, chess, carom matches were played. On the other hand students were engaged in dancing, play various instruments, one act play, monologue in such creative activities.

On 15<sup>th</sup> Jan.2022, English Proficiency test was conducted. Students were briefed about basics of English and dos and don'ts of writing as well as speaking English. English Proficiency test was conducted through MCQs, which were based on common errors committed by Marathi speakers.

On 22<sup>nd</sup> Jan. 2022, Mentor-Mentee introduction meeting was organized. In this meeting, teacher mentors briefed about meaning and goal of the mentoring system. In this meeting students were asked to fill the mentoring cards.

On 12th Feb. 2022, Mr. Kapil Lalit, counselor, briefed about Universal Human Values. He talked about importance of values in the human life. He also talked about importance of material verses importance of unconditional relationship in the human life. He also talked about 'human Values in Engineering'.

On 26<sup>th</sup> Feb. 2022, local area visit was arranged for students. In this visit students went to Ashta, Sangli and nearby places. Students enjoyed this visit. Non local students got oriented about the culture of the area because of this visit.

On 28<sup>th</sup> Feb. 2022, a technical Event Lakshya was conducted on the occasion of National Science Day to Develop Insight into technology, it helped a lot to bridge the gap between science and technology. Model Making, Tech-talk, debate competition, Technical rangoli were conducted.

## **A Report of Orientation & Induction Program – 2020-21**

New batch of 2020-21 has been started in February 2021 due to Covid-19 pandemic. The orientation program for newly admitted students was organized from 1<sup>st</sup> Feb. 2021 to 5<sup>th</sup> Feb. 2021. Students and their parents were formally welcomed and introduced to the culture of the College, campus and Basic Science Department.

The orientation program started with an ice-breaker session with the Faculty members in their respective classes. The students spent the whole day interacting with each other and knowing the faculty members in a fun-filled environment. HoD of Basic Science Department interacted with students. This program was followed by a campus tour by the program coordinators. Student Volunteers of senior batch also helped to carry out this activity.

On 02nd Feb. 2021, the day started with the visit around the ADCET Campus. Teams were made with each team supervised by one mentor. During this visit, mentors went over the rules and regulations of the Institution and made them aware of the importance of the aforementioned landmarks. Refreshments were then served, hence concluding the campus visit. Program then followed by discussion by Dr. Syugkumar Taralkar, Dean Academics on the rules and regulations of campus. He further discussed about expectations of college during academics and presented a brief on academic structure of the institute, along with grading scheme and results. In the second half, Dean Training and Placement Prof. S. S. Sayyad discussed about placement activities carried out by the college. The students were also briefed about required training programs planned to develop competencies to approach the job market.

On the next day, 03rd Feb. 2021, the session started with an introduction to the examination system in autonomous college by Prof. V.B. Patil. The second half of the day was conducted by Prof. S.S. Mohite, HoD Basic Sciences. He oriented students about various activities carried out in department. He gave them an introduction regarding the academic disciplines.

On 4th Feb. 2021, the day started with the poster making activity, it was unplanned activity, which saw around two hundred participants with great enthusiasm and determination, some on groups and others individually. This program was followed by talk of Camps Director Dr. Vikram Patil. He talked about changing scenario in engineering field. He exhorted students to

## **A Report of**

# **Orientation & Induction Program – 2019-20**

In August 2019, a First Year for the 2019–20 academic year began. On August 8th, 2019, a session of orientation for newly admitted students was held. Parents and guardians were formally welcomed and given an overview of the Basic Science Department, campus, and college culture.

The orientation program started on 9<sup>th</sup> August 2019 with interactions between the department heads and the students. The institute's COE then led the second session, during which he discussed Prof. V.B. Patil's examination procedure in the autonomous colleges. Dr. Syugkumar Taralkar, Dean of Academics, then led a third session with a discussion on campus laws and regulations after the program. He also talked about what to expect academically from college and gave a brief overview of the institute's academic framework, including its grading system and outcomes. After this Dr. E. Henk, dean PECP & LQF talked about course to improve English communication. On the same day, Mr. Vievek Velankar, a renowned speaker and career counsellor, spoke with students about potential options in the engineering field.

Dean of Training and Placement Prof. S. S. Sayyad spoke about the college's placement programmes on the second day, which was August 10. The pupils were then informed about the necessary training courses that would help them gain the skills they needed to enter the job market. Dean III and Dean R&D then gave a briefing on the value of research before industrial Group Captain Mr. Shrikant Walwadkar gave a lecture to inspire the students. The day was ended with the visit around the ADCET Campus. Teams were made with each team supervised by one mentor. During this visit, mentors went over the rules and regulations of the Institution and made them aware of the importance of the aforementioned landmarks.

In second half, The 4th day began on August 11, 2019, with a lecture by Prof. R.V. Jadhav on human values. Afterward, teachers asked the students to walk to their separate classrooms for presentations. The institute counsellor Mr. Kapil Lalit, gave a briefing on the value of counselling and its procedure in the afternoon session. Immediate after this session Prof. Amol Dange, Head Student Council talked about various students' activities in the campus and encouraged students to participate in activities. Different club in charges presented their activities in front of students and invoked students to enroll.

## **A Report of Orientation & Induction Program – 2018-19**

The 2018–19 new batch effectively began on August 1, 2018. On August 1 and 2, 2018, the orientation session for newly admitted students was held.

Registration and refreshments for the parents and children really marked the start of the program. Students and their parents were officially welcomed and introduced to the college's culture, the campus, and the Basic Science Department on the first day of the induction program. At the time of introduction president of the Sant Dnyaneshwar Shikshan Sanstha, Hon. Annasaheb Dande, Secretary Adv. Rajendra Dange and Executive Director Prof. R.A.Kani were present. Director of the institute and all deans also present there for the ceremony. The program's keynote speaker was motivational speaker and Training Placement Officer Prof. Touheed Mujawar. He has provided some insight on career paths, the value of positivity in education, and preserving good ties with both students and parents. The kit was given to the pupils after the first session. The daily timetable was explained to the students by respective class teachers.

On the second day of the program, i.e. on August 2, the individual class professors discussed the autonomy's regulations and what was expected of the pupils. Then, the students were given an introduction to their departments and the operations of the Basic Sciences Department.

Students were given engineering orientation by Dr. A.M. Mulla, along with information on what industries demand of engineers. He discussed how the engineering sector was evolving. He urged students to prioritise research, entrepreneurship over on-campus employment, and knowledge-based education over career-focused education. In addition to academics, students should strive for total growth in extracurricular and athletic activities. He informed the crowd about the campus's cutting-edge infrastructure. After his address, there was also a question-and-answer period.

Following the director's address, Dr. N.D. Sangle, Dean of Academics, spoke on school norms and regulations. He also talked about what to expect academically from college and gave a brief overview of the institute's academic framework, including its grading system and outcomes.

Prof. Touheed Mujawar, who is in charge of training and placement at the college, spoke to the students about the various activities related to job placements that are being conducted by the college. Additionally, the students were informed about upcoming training programs designed to enhance their skills and make them more competitive in the job market.

Prof. V.B. Patil, the examination controller, has explained the regulations and processes that govern the examination systems. In summary, these rules are in place to ensure fairness, accuracy, and transparency in the evaluation of students. It is important for students to understand these rules and follow them in order to avoid any penalties or disqualifications. Additionally, it is recommended that students prepare thoroughly and manage their time wisely during exams to maximize their chances of success.

During a presentation, Mr. Kapil Lalit, a counselor, explained the counseling system that is available in the college and the significance of seeking counseling services. Essentially, the counseling system aims to provide students with emotional, academic, and career support. By seeking counseling, students can learn effective strategies to manage stress, overcome personal challenges, and achieve their academic and career goals. It is recommended that students take advantage of the counseling services available to them to enhance their overall well-being and maximize their potential for success.

The Head of Basic Sciences department, Prof. S.S. Mohite, conducted the first session where he provided an overview of the department's activities and introduced students to the different academic disciplines within the department. The purpose of the session was to familiarize students with the department and help them understand the scope of the different areas of study. It is important for students to have a clear understanding of the department's activities and academic disciplines to make informed decisions regarding their academic pursuits.
