AD CET / E&E / 2026-2027 / 30

Date: - 17 October 2026

CIRCULAR

Subject: Regarding Completion of First Year B.Tech. Academic Requirements within the Prescribed Period

Reference:

1. Shivaji University, Kolhapur, Letter No. SU/BOS/ENGG/7259, dated 07/11/2012, regarding approval of revised B.Tech. Rules and Regulations.
2. Shivaji University, Kolhapur, Department of Technology, B.Tech. Rules and Regulations 2025-26, R.B.T. 4 – Discontinuation Clause.
3. ADCET Undergraduate Academic Rules and Regulations, Clause 14.3 and Clause 14.4.

All First Year B.Tech. students of Annasaheb Dange College of Engineering and Technology (ADCET) are hereby informed that, as per the applicable academic rules and regulations, students are required to successfully complete all First Year B.Tech. credits within three (03) academic years from the year of admission. Failure to fulfil this requirement may result in the student being declared "Not Fit for Engineering" (NFE), leading to discontinuation of registration from the programme, in accordance with the applicable regulations.

All concerned students are therefore requested to take note of the following:

1. Students are advised to successfully complete all prescribed First Year courses, examinations, backlog subjects, and credit requirements within three (03) academic years from the year of admission.
2. Students having pending First Year backlog subjects are advised to utilize the available examination opportunities and clear their backlogs within the stipulated period.
3. Students are encouraged to regularly review their academic progress and seek necessary guidance from their respective departments to ensure timely completion of the prescribed academic requirements.

All students are requested to take due note of these provisions and plan their academic progress accordingly to ensure smooth continuation and timely completion of their engineering education.

This circular is issued in the interest of students to create awareness regarding the prescribed academic progression requirements and the provisions relating to "Not Fit for Engineering" (NFE).
