**Agenda Item No.3:** To discuss and approve curriculum contents of Third Year B. Tech (1<sup>st</sup> Revision)

Dr. Bandal suggested to present curriculum structure and if required detail contents of particular courses can be presented as per requirement.

Mr. Jadhav, HoD-Mech; Dr. Kulkarni, HoD-Elec; Mr. Mohite, HoD-Civil; Dr. Bhandari, HoD-CSE; Mr. Kiran Babu, HoD-Aero, Mr. Patil, HoD-Auto and Dr. Taralkar, HoD-Food were presented preamble of BoS meeting held for respective UG program during December Dec-2019/Jan-2020 and presented curriculum structure and contents for Third Year (TY) B Tech (1<sup>st</sup> Revision of curriculum) with reference to AICTE model curriculum to all members. Following suggestions were given by members.

- i. Follow AICTE model curriculum guidelines to decide credits/courses and contents.
- ii. Tutorials can be added in structure for some of the courses.
- iii. Remove absolute part from contents.
- iv. Application based courses can be consider
- v. Revise cognitive levels of Courses Outcomes (CO's) based on Blooms Taxonomy.

It is proposed by Dr. Bandal and Seconded by Dr. Raut.

**Agenda Item No.4:** To discuss and approve curriculum structure of Final Year B. Tech (1<sup>st</sup> Revision)

The curriculum structure for Final Year B Tech (1<sup>st</sup> Revision) of 160 to 170 credits was presented by respective HOD's and was approved by members with following suggestions.

- i. Constitution of India should be audit courses instead of Grade.
- ii. Project and Finance Management can be one of the courses at final year level.
- iii. Course related to Entrepreneurship can be added in final year.

It is proposed by Dr. Chaudhari and Seconded by Dr. Bandal.

**Agenda Item No.5:** Any other item with the permission of chair

Following overall suggestions were given by members of AC.

- i. Total credits should not exceed 160.

Sant Dnyaneshwar Shikshan Sanstha's  
**Annasaheb Dange College of Engineering & Technology, Ashta**  
(Approved by AICTE, New Delhi, Gov. of Maharashtra, and affiliated to Shivaji University Kolhapur)  
**An Autonomous Institute**

---

- ii. Semester credits should be such that students should get some time for other activities.
- iii. Sufficient time to students should be given for self study.
- iv. Curriculum should be designed in such way that all program Outcomes (PO's) should be addressed.
- v. New technologies to be consider while designing the courses contents.
- vi. National Education Policy (NEP-2020) document to be referred for designing curriculum structure.
- vii. Courses related to humanity, universal human values, languages, psychology, sociology should be included in curriculum.

Member Secretary, Dr. Taralkar proposed vote of thanks to all members and Chairman, Dr. Vikram Patil concluded the meeting.
