SANGEET RAJANI

It's wonderful to hear about the Sangeet Rajni cultural program that was organized to showcase the talents of students in Hindi and Marathi songs! It's always important to give students the opportunity to express themselves creatively and showcase their talents.

It's great that 40 students participated in the program and that all the teachers of Annasaheb Dange Kala Academy were involved in guiding the students. Having the support and guidance of experienced teachers can help students develop their skills and confidence.

The presence of Hon'ble R. A. Kanai Sir, HoD Santosh Mohite Sir, and Registrar Shailendra Hivarekar Sir at the program's inauguration is also notable. It's always great to have support from distinguished guests and leaders within the community. Overall, it sounds like it was a successful and enjoyable event for everyone involved!
