Students from S. Y. Food technology under the guidance of Prof Kapil Lalit prepared and displayed it to the audience by using Instagram. Prathmesh Dhapte, Vivek Dighe, Hrutik Lokhande, Siddhi Sonawane, Mansi Munanar and Asavari Narvekar were the students who flawlessly graced the podium and urged people to avoid food wastage at an individual level.

Through their act, they told people how often by mere ignorance we tend to throw away what is in our plate and forget how fortunate we are to be blessed with the food we eat while a lot of people starve to death. They all pledged to take the quantity of food they require while eating and if excess give it away to the less fortunate.
