Students of Food Technology department celebrated the Traditional Day to promote the cultural diversity in India. The individual or social differences in physical attributes, skin colour, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole which gives the message of Unity in Diversity.

Traditional Day was held on the 16th of March 2021 at the college. It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice.
Event was inaugurated with lamp lightening and Saraswati pooja by HoD Dr. S. V. Taralkar and FTSA President Mr. Prathmesh Dhapte. HoD addressed the gathering and explained the richness of Indian culture and traditions.

The celebrations were followed by a small fashion show in ethnic wear and also a procession. Mr. Shrikant Sawant imitated Chhatrapati Shivaji Maharaj, his role model. Some others played the role of different characters like Sant Tukaram, Bajirao and Gangabai as well. Prizes were given to winners by Judges.

In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India. The programme was concluded with vote of thanks and National Anthem of India.
