Live Dance Workshop

It's great to hear about the Live Dance Workshop that was organized with the aim of promoting an interest in dance among students! Learning to dance can be a wonderful way to express oneself creatively, promote physical fitness, and gain confidence.

It's nice to know that 20 students participated in the workshop, and that it was supported by the Executive Director of the Institute, Kanhai Sir, College Director Vikram Patil Sir, and Kendra Hiverekar Sir, who congratulated the participants. Having the support and encouragement of distinguished leaders and administrators can help students feel valued and motivated to continue pursuing their interests and developing their skills.

Overall, it sounds like the Live Dance Workshop was a positive and beneficial experience for the students who participated, and it's great to see efforts being made to promote interest and engagement in dance among college students.
